**Discipline/Guidance Policy**

TP Schools is committed to your child's development and care. It is very important to us that each child is nurtured through love, patience, and understanding. The purpose of discipline is to encourage our students to develop biblical self-discipline in their lives (Proverbs 25:28) and to aid young people in development of Christian character (Proverbs 22:5) Discipline of a student is a joint responsibility of the parents, teachers, and the administration.

Some children may have difficulty following rules, in response to your child's misbehavior

**We will not use:**

- Threats or bribes
- Physical punishment, even if requested by the parent
- Deprive your child of food or basic needs
- Humiliation

**We will:**

- Respect your child
- Establish clear rules
- Be consistent in enforcing rules
- Use positive language to explain desired behavior
- Model Christian behavior
- Use the level system (outlined in the handbook)

If your child's behavior is continually disruptive, physically or verbally harmful to a teacher, another student, or themselves, the teacher and/or Administration will meet and discuss the issue with you privately. A child will not be expelled due to challenging behaviors unless TP Schools procedures have been followed or the family refuses to participate in the process and/or accept help from supportive agencies.

## Home Language Survey (HLS)

The Civil Rights Act of 1964, Title VI, Language Minority Compliance Procedures, requires school districts and charter schools to determine the language(s) spoken in each student’s home in order to identify their specific language needs. This information is essential in order for schools to provide meaningful instruction for all students as outlined Plyler v. Doe, 457 U.S. 202 (1982).

The purpose of this survey is to determine the primary or home language of the student. The HLS must be given to all students enrolled in the school district / charter school. The HLS is administered one time, upon initial enrollment, and remains in the student's cumulative file.

Please note that the answers to the survey below are student-specific. If a language other than English is recorded for ANY of the survey questions below, the W-APT will be administered to determine whether or not the student will qualify for additional English language development support.

### Please answer the following questions regarding the language spoken by the student:

1. What is the native language of the **student**? \_\_\_\_\_
2. What language(s) is spoken most often by the **student**? \_\_\_\_\_
3. What language(s) is spoken by the **student** in the home? \_\_\_\_\_

**Student Name:** \_\_\_\_\_ **Grade:** \_\_\_\_\_

**Parent/Guardian Name:** \_\_\_\_\_

**Parent/Guardian Signature:** \_\_\_\_\_ **Date:** \_\_\_\_\_

By signing here, you certify that responses to the three questions above are specific to your student. You understand that if a language other than English has been identified, your student will be tested to determine if they qualify for English language development services, to help them become fluent in English. If entered into the English language development program, your student will be entitled to services as an English learner and will be tested annually to determine their English language proficiency.

### For School Use Only:

School personnel who administered and explained the HLS and the placement of a student into an English language development program if a language other than English was indicated:
